Hours of use continuous during sleep other: _____

Clinical assessment to be performed to determine device alarm settings

Additional orders:

Please attach the following:

- Progress notes/face to face evaluation indicating patient need for prescribed equipment/supplies
- Test results
- Patient demographics sheet

In my opinion, the supplies ordered are both reasonable and necessary for the treatment of this patient's condition per accepted standards of medical practice and are not prescribed for convenience. My signature below certifies the medical need for these items for this patient. This form must be SIGNED and DATED by the prescribing Physician prior to dispensing supplies and medical equipment.
